

Inter-College Program

Tentative Course List for ICP Students in Degree Planning Status

Student _____ ID# _____

ICP Academic Adviser _____

Proposed Degree _____ Proposed Structure _____

Concentration Areas or Thematic Title _____

Directions to Student

Attach a tentative course list on which you:

- ⇒ Clearly identify the courses by concentration area (or by college, for a theme).
- ⇒ Include the following information about each course: course designator, course number, course title, number of credits, and your final grade (if available). *Example: ACCT 2050, Introduction to Financial Reporting, 4 cr., A-*

Note: The designated faculty/departmental adviser has the final authority for approving the courses in each concentration area or theme.

Before Signing (Student and Adviser)

Before signing below, student and adviser should read and discuss the following statements:

- ⇒ Attached is a tentative course list that both you and your ICP adviser think will reasonably count toward your proposed ICP major. These courses will be added to your APAS report (http://onestop.umn.edu/grades_and_transcripts/apas.html), allowing you to use the Graduation Planner tool (http://onestop.umn.edu/degree_planning/graduation_planner.html) in a more meaningful way.
- ⇒ You must work with your ICP adviser to achieve Major Status. Steps toward Major Status include: successful completion of all area/thematic prerequisites (if any), approval of your ICP proposal by your ICP adviser and all appropriate faculty/departmental advisers, and review of your proposal by a second ICP adviser.

I have discussed the above statements with my ICP adviser; I understand them and agree with them.

Student signature _____ Date _____

I have discussed the above statements with this student; I find the attached tentative course list to be reasonable at this point in the development of the student's ICP proposal.
