

OLLI Class Cancellation/ Inclement Weather Policy

If OLLI cancels courses we will inform all Course Leaders and Course Participants for those courses by email by 9 PM, or as soon as possible the evening prior and post the decision on the OLLI home page, (olli.umn.edu), and call those without email. If you do not hear from us, assume that your course will be held.

As basic guidelines: If the University of Minnesota cancels their classes, OLLI classes are cancelled. If Minneapolis Public Schools cancels their classes, OLLI classes are cancelled. Other variations are rare (e.g. course leader cannot make it). Of course, OLLI would prefer to not cancel any course, but when we do, we consider your safety and our many sites' decisions to close.
