OLLI Class Cancellation Policy and Procedures
Updated 4-25-18

OLLI courses are canceled for a variety of reasons (weather, course leader is ill, site issues, other unforeseen circumstances.)

You will know that your course is canceled when:

1. If your class has been canceled, OLLI staff will send you an email as soon as possible.
   a) HINT: Make sure that the email address in your OLLI registration account is accurate and up-to-date.
   b) If you do not have an email address associated with your OLLI account, we will call you as soon as we know the class has been canceled.
   c) OLLI staff will contact only members whose classes are canceled. If you do not hear from us, assume your class is “on.”

2. To determine whether the U of M is closed, check the U of M website: www.umn.edu or any major news outlet.
